

Irish, a true American and Veterans Advocate. She tried to help all she came in contact with.

I met Irish thru Emails and we would talk of all the issues facing veterans. She snail mailed me copies of her fight with DC and the DVA and we would discuss these thru Email.

It is my lost that I never met her face to face but came to know her good heart thru Emails.

About 3 years ago I went to a Quilt of Tears viewing and saw Irish's block on one of the Quilts. Shelia and Henry of the Quilt of Tears have nothing but deep admiration and respect for Irish.

Her passing is and will continue to be missed by many. For those of you that had personnel contact with her, I know you are truly sadden.
